Please Note: The following loan option is available, dependent upon qualifying credit references, to faculty and staff purchasing houses as their primary residences on Faculty Drive and adjacent streets. Loans are not available through the University for remodeling, redecorating, etc. The borrower may obtain up to 95% of the purchase price or appraised value, whichever is less, (not to exceed $250,000) at a Fixed or Variable Rate Option for a period up to 30 years. The mortgage rate for these loans is 92% of the national average rate listed on the first business day of the month in which the mortgage is processed for both fixed and variable rate loans. The Variable Rate Option is adjusted each January 1, based on the current interest rate. For questions concerning a University mortgage, contact Jenny Bush at 758-5584 or email bushje@wfu.edu.
